THEME

Theme for April:

Autumn

We will focus on:

- The changing weather
- Wearing warmer clothes
- The changes we see in nature
- What animals do in Autumn

*Preschool children are invited to bring in a **theme related** item every **Friday** for Show and Tell*

School **MARKET DAY**

Our exciting annual Market Day is scheduled for **Friday, 24 April**

Each child is invited to bring something to sell. These can be edible or non-edible items. Please send along 10-12 of the same item on the day. Children are also invited to make signs to advertise what they will be selling.

An amount of R50 will be invoiced, and the children will receive tokens on the day to use for their purchases.

Some ideas and suggestions will be shared via WhatsApp during the course of next week.

Road Closure **RAFFLE**

With the road closure finally having been approved, CAP has embarked on a fundraising initiative to support the enclosure project in Orchards and the surrounding areas. As such, would love for the children to be part of this effort.

We will be hosting a raffle and are looking for some wonderful prize sponsorships. If you are able to contribute a prize, we would greatly appreciate your support. Please feel free to get in touch with Shaakira to discuss ideas.
