Parent - Teacher CONFERENCES

Our Parent-Teacher Conferences will take place from 23 to 26 March and serve as our Term 1 reporting feedback. These meetings offer a valuable opportunity for parents and teachers to connect, share insights, and reflect on each child's development, often discovering how school and home observations beautifully align. We will also discuss goals for the remainder of the year and address any questions or concerns from either side. Booking forms will be made available in March.
